

Grayson LandCare Monthly Meeting
May 16, 2016

There were 40 people in attendance.

Cathie Bukowski, Phd. candidate at VT, gave the presentation, "Community Food Forests across the United States." To access her website, go to www.communityfoodforests.com.

Monthly minutes: Mickey Cunningham moved to approve the minutes from April's meeting. Michelle Pridgen seconded the motion and the minutes were approved.

Treasurer's report: Kerri read a summary of the treasurer's report. A copy of the treasurer's report can be found at the end of these minutes.

New Office Location: Kathy Cole reported that the grand opening of our new office, which was held on Friday, May 13th was a big success. There was support from Grayson County and from Grayson National Bank. She thanked Rick and Cynthia Taylor for coordinating the opening celebration. We now have a GLC banner hanging outside the office thanks to Rick Taylor. Social Services donated a conference table. Tom Simpson donated a computer. Lukas Burgher hung our curtains. We are raising money for a ceiling mounted wifi capable projector. We have raises \$300.00 with a matching IFM grant for another \$300.00. The monthly meeting in June will be held in the Historic 1908 Courthouse to accommodate the attendees. Bill Kaveric, professor from Radford University, who created "Appalachian Voices," will be the guest speaker.

Committee Reports:

IFM: There were 24 vendors on opening day of the IFM. On the 27th, Appalachian Sustainable Development sponsors "Rooted in Appalachia," a crooked road program from fruits, vegetables, meat and poultry. Friday, June 3rd, chef Jen is cooking. On Wednesday, June 15th, from 4 to 7 PM, the IFM will open for the summers on Wednesday evenings. The online market will re-open and pickup will be on Wednesdays. IFM provided food for the Friday night dinner at the Naturalist Rally. Last winter, the online market brought in \$15,000 which was more than the entire first year for the IFM. Thank you Michelle and Penny!!

Pulaski Grow: Kathy announced that there is a trip scheduled to visit Pulaski Grow, a hydroponics and youth development company, on Saturday, June 4th. Contact Kathy to coordinate carpooling from Galax at 8:30 AM.

Natural Resources: There will be a New River Cleanup on June 11th. Registration begins at 8:00 AM at the NRWCC. If you would prefer, there will be an auxiliary cleanup at Peachbottom Park. On June 19th, there will be a New River paddle sponsored by the NRWCC. On June 25th and 26th there will be an herbal identification walk led by Kristen Dorsi. Contact Jim Disbrow for more information about these 2 events.

Forestry: Mickey and Tina attended the 4-H lock-in. Mickey walked 2 properties to see the value of the forest and the possibilities for sustainable forestry.

Save Green: Forestry Department has agreed to let Save Green use both sides of the Matthews Forest property on route 58 for next year's Save Green Expo. The committee has begun to meet to plan next year's expo. Contact Loren Webster if you are interested in volunteering.

Meeting was adjourned at 8:30 PM.
