

We Need YOU To Volunteer to Clean Up The NEW!

August has been proclaimed as **Clean River Month** in Grayson County by the Board of Supervisors, and Grayson LandCare and River Ridge Farm, in support of this proclamation announces that its annual river cleanup will be held on **Saturday August 7th from 8:30 am to 1:30 pm.** (see schedule for details)

If you are concerned about preserving the New River, pull together a crew (4-8), bring your flat bottom boat or canoes to the boat landing on Gold Hill Road, Independence, VA 24348. For individuals, we will have a limited # of boats and will pool individuals together into teams, so definitely come.

Pre-registration by July 30th is not required but would be helpful to provide adequate accommodations for everyone. To preregister send an email to director@graysonlandcare.org or send a text message to 276-768-0597. Detail the name of your group/organization, names and contact information of your members. If you are an individual or family, we will need your name and contact information as well. Contact information may be phone or email address.

Detailed information and schedule for the day is detailed below.

***If you cannot make our cleanup on August 7th, check on the county's webpage for other in-river cleanups during August Clean River Month.**

GLC/ RiverRidge Farm River Cleanup

Saturday August 7th

Schedule

- 8:00 – 8:30 AM Sign-in/Registration
